

Tēnā koutou,

You may be aware that there are measles cases in New Zealand, in both the North and the South Island. It's possible there will be more cases.

On Friday 14 November, National Public Health Service is hosting an online hui for Deaf and disabled people, their whānau, carers and support services, to inform the disability community of the current situation, to provide information and to answer any questions.

Please join us:

What: Information hui about the measles outbreak for the disability community

When: Friday 14 November 2025

Time: 10 am to 11.30 am

Where: Microsoft Teams [Need help?](#)

[Join the meeting now](#)

Meeting ID: 462 465 909 043 9

Passcode: 9AL6cT6L

NZSL interpreters will be provided.

Contact: Please contact Vanessa Creamer at Vanessa.Creamer@tewhatauora.govt.nz if you have any questions about the hui, or have any accessibility requirements.

You can find information about measles, including in alternate formats and NZSL, at www.info.health.nz/measles.

If you're concerned that you or a family member might have measles, please contact Healthline on 0800 611 116. Deaf, hard of hearing people and those with communication difficulties can use NZ Relay to contact Healthline.

Please forward this invitation to your friends, whānau and staff. Everyone is welcome to attend.
