Section 1: Registrar & House Officer's Responsibilities

Area	Responsibilities
General	CLINICAL RESPONSIBILITIES AND DUTIES – FOR THE WHOLE TEAM <ul style="list-style-type: none"> The RMO is responsible for the day-to-day management of inpatients under the care of their designated specialist or senior dentist. The management of all inpatients under the team's care will be reviewed on a daily basis Monday through Friday. The RMO is responsible for the assessment and treatment of patients referred to hospital acutely with Dental/Maxillofacial presentations. These may be patients referred for admission on Acute days or be patients who have previously been cared for by the team and whom the team has accepted for re-admission. The RMO will maintain the clinical record for each patient and oversee appropriate investigation of all patients under the care of their team. All entries in the case noted will have a date and time recorded and be legibly signed. The RMO will inform the designated specialist or senior dentist of any problems relating to these patients. The RMO shall participate in outpatient clinics related to the specialist / senior dentist for which he/she works and run outpatient clinics independently. They will usually dictate a letter to the Referrer +/- General Practitioner upon first specialist appointment and subsequent discharge, and any concerns regarding the patient will be reviewed with the appropriate senior prior to preparation of this report. The RMO will ensure that when going off on duty any patient whose condition is unstable or of concern, is notified to the appropriate on call Consultant at handover. The RMO shall assist with consultations from other Specialists and from General practitioners in conjunction with their Consultant.

Area	Responsibilities
	<ul style="list-style-type: none"> • The RMO shall attend clinical meetings including department meetings and will be expected to contribute or present at these meetings as requested. This will include a monthly CME & may include fortnightly MDM virtually at Palmerston North Hospital • RMOs will ensure that referring specialists/GPs are directly contacted regarding significant clinical events of their patients. • RMOs are responsible for following up the results of any investigations they order. The registrar should liaise with seniors if an unexpected untoward result is given, or they have any concerns. • Registrars are expected to support house officers and dental students in their clinical duties. • RMOs are responsible for ensuring that all patients on the operating lists they are rostered to have been comprehensively and appropriately prepared for theatre. It is expected that they meet these patients prior to surgery and are involved with their postoperative care. • The RMO is regarded as key members of the dental/maxillofacial teams and as such are expected to make a wider contribution to the Service; eg attendance and participation in meetings, audit, teaching programs and administration. Registrar input into ongoing protocol development will be expected.
On call duties	<p>FOR THE INDIVIDUAL REGISTRAR/HOUSE OFFICER</p> <p>The acute RMOs are responsible to the Consultant “on-call” for the day.</p> <p>There is a designated maxillofacial consultant on call at all times, available by cell phone. Early and regular discussions are encouraged.</p> <p>Attend to the duties described above under “CLINICAL RESPONSIBILITIES AND DUTIES”.</p>
Administration	<p>Registrars & House Officers are required to fully document patient care.</p> <ul style="list-style-type: none"> • All patients are to have current records of relevant clinical history, clinical assessment investigations, treatment plan and documented discharge plan. • Detailed documentation of surgical procedures. • Use telephone dictating system. • All case notes entries are to be clearly legible, dated, timed and signed. • Documentation of the Senior Dentist / Maxillofacial surgeon involved in establishing the management plan. • Ensure ED discharge summaries are completed prior to discharge.

Section 2: Training and Education

There will be 4 hours per week non-clinical time to be used for further education, case presentations or service audits.

The RMO shall attend clinical meetings as identified on the relevant service schedule, including Grand Round, CME and department meetings.

It is expected that house officer will present at the NZ Hospital and Community Dental conference. This is not mandatory for the registrar, however recommended.

The opportunity to complete the primary dental sciences examination through the Australian College of Dental Surgeons (RACDS) will be provided to the house officer in their second year in our service. This examination is strongly encouraged.
