ALL DENTAL CARE PROVIDED BY THE COMMUNITY DENTAL SERVICE IS FREE.

To help your child maintain a healthy smile, our dental staff will provide a regular check up and preventive care, which may include:

CLEANING/ SCALING (to remove plaque from teeth)

DENTAL XRAYS (to check for decay in teeth, or presence and position of teeth)

FLUORIDE VARNISH
(painted on teeth to help prevent decay)

FISSURE SEALANTS
(coating put on teeth to prevent decay)

If any other dental care is required, we will let you know how to book an appointment for your child at one of our Community Dental Clinics.

Please contact us if you would like further information. 0800 846 983

email: commdental@cdhb.health.nz
