

# Communication plan for Services

- Start with Surgical Directorates only – Adult Surg, Cardiac, Women's, Paeds
- Initial comms should be coming from the Directorate Directors with support from Māori Health Leads to SCDs and bookers. Ideally a Q&A session.
- Pre-empt discussion with the overview paper
- We can build a slide pack to support this discussion which lays out more clearly the WHY and the HOW

RELEASED UNDER THE OFFICIAL INFORMATION ACT 1982
