Your Official Information Act request, reference: HNZ0007460

I refer to your official information request dated 23 November 2022 for the following:

“It is my understanding that in line with the official Labour Party announcement in 2018 of Free Universal Health Care for Adults, your officials worked on a plan and costing for such a programme to be implemented. My question is:

- 1. What was the estimated cost of such a programme should it be implemented based on their estimates?*
- 2. At what date was this estimate made and have there been any updated estimates made since then?*
- 3. What were the annual numbers nationally for hospital interventions nationally in 2017 for dental care?*
- 4. What were the latest available annual figures for hospital interventions nationally of dental care?*
- 5. What were the annual numbers in 2017 for Palmerston North Hospital interventions of dental care?*
- 6. What are the latest available annual numbers for Palmerston North Hospital interventions of dental care?”*

As noted in our letter of 16 December, the first two points of your request have been transferred to the Ministry of Health. We have passed on your clarification that you are seeking information about free universal **dental** health care.

As noted in our email decision of 23 December, we have decided to release the information for the remaining four points of your request in full. Please see the attached spreadsheet.
