

Waka Hourua Kawenata | **“Our Ways Of Working Together”**

Te Kaupapa Matua | **Purpose**

This relationship agreement embodies the commitment of the boards of Te Aka Whai Ora and Te Whatu Ora to work together in keeping with the aspirations of Pae Ora to:

- Protect, promote and improve the health of all New Zealanders
- Achieve equity in health outcomes among New Zealand’s population groups by striving to eliminate health disparities, in particular for Māori; and
- Build towards pae ora (healthy futures) for all New Zealanders

The purpose of this agreement is to create working arrangements between Te Aka Whai Ora and Te Whatu Ora that will galvanise our organisations to deliver on the wellbeing aspirations of whānau—whakahiko i te oranga whānau—in Aotearoa New Zealand.

Te Horopaki O Tenei **Whakaaetanga | Context**

The relationship is described by the boards as a Waka Hourua Kawenata. This envisages Te Aka Whai Ora and Te Whatu Ora as partnered waka, on a collaborative journey towards a common objective, which is the wellbeing of all New Zealanders, and importantly, the wellbeing of tangata whenua—Māori.

The interwoven sails represent the information, evidence, advice, and voice of whānau that inform one another’s decisions.

The Waka Hourua also symbolise the journey both boards are making as they embark on this voyage, ever mindful that successful navigation depends on having clarity about one’s destination before setting out. By adopting the Waka Hourua metaphor, both boards are also demonstrating the very real importance they place on having the trust and confidence of iwi, hapū, whānau, and Māori. This relationship is what Te Tiriti in practice looks like.

Te Mauri O Rongo | NZ Health Charter

Te Mauri o Rongo—The Health Charter has given us four pou to guide the development of our relationship and how we support the workforce culture that we aspire to:

Wairuatanga

We lead with heart. When we come to work, we are able and supported by others to be our whole selves. When we return home, we are fulfilled.

Rangatiratanga

As organisations we support our people to lead. We will know our people; we will grow those around us and be accountable with them in contributing to Pae Ora for all.

Whanaungatanga

We are a team, and together a team of teams. Regardless of our role we work together for a common purpose. We look out for each other and keep each other safe. “Whiria te tāngata”—we will weave our people together.

Te Korowai Āhuru

A cloak woven with purpose embraces and protects us in our work and embodies the physical and spiritual elements of Te Mauri o Rongo—NZ Health Charter. The wearer of the cloak has responsibility to act and embody those values and behaviours.
