Audit of Special Authority Applications

Welcome to the Electronic Special Authority application system.

As a user of the Electronic Special Authority application system, your applications may be audited against the application criteria set out in the Pharmaceutical Schedule.

All audits will be carried out by Health Integrity Team, Health New Zealand, and will be completed in accordance with the agreed protocols between the Health New Zealand and the New Zealand Medical Association (NZMA) or between the District's and Primary Health Organisations (PHOs).

The review of patients' clinical notes will be carried out by a doctor contracted to Health Integrity Team.

Please sign below and return to the Health Integrity Team. When we have received the signed form, and all other required access is signed off, we will be able to register you as an approved user of the system.

Requests for Electronic Special Authority access are subject to a 10 Working Day processing window from the day your application is received.
