

FUNDING OPPORTUNITY AUT POST GRADUATE NURSING

Are you a Comprehensive Primary and Community Care Nurse who is on the Registered Nurse Prescribing or Nurse Practitioner pathways?

- A funding opportunity for primary and community nurses is available for one 30-point course or two 15-point courses to be completed in S2, 2024.

Eligible courses

- HEAL824 - Advanced Assessment and Diagnostic Reasoning (30 points)
 - PHMY803 - Pharmacology Science and Therapeutics (30 points)
 - NURS804 - Science for Advanced Practice (30 points)
 - NURS806- Advancing Nursing Practice (15 points)
 - HEAL840- Critical Enquiry for Evidence-Based Practice (15 points)
 - HEAL812- Health Professional Practice (15 points)
 - **Or** 30 points from selected option papers (That are on the NP or Nurse Prescriber pathway).
- Please note that it is essential that your employer is aware that you are applying for this funding, is supportive of your plan to study in Semester 2, and that they are supporting/will support you on the Nurse Practitioner or Nurse Prescriber pathway.
 - To apply please email: pgnursing@aut.ac.nz, stating your intent and your place of work.
 - Applications close 1st of July 2024.
 - Please contact pgnursing@aut.ac.nz if you have any questions.
